Dear Mr. Barnum:

The purpose of this Letter Order is to serve as a follow-up to the Letter Order sent on March 10, 2023, Letter Order No. L2300085.

In addition to the items required in response to Letter Order No. L2300085, we require Middle Kuskokwim Electric Cooperative, Inc. (MKEC) to file all correspondence, reports, and other documents related to any inspection or assessment completed by or on behalf of MKEC, specifically including but not limited to the report or study prepared by Pacific Power mentioned in Crooked Creek Traditional Council's letter dated March 3, 2023, as well as any similar reviews or assessments performed by MKEC itself or another entity. This includes all correspondence, reports, working papers and other documents describing the current condition of utility infrastructure in the MKEC service area, as well as a description or discussion of any repairs, plant replacement, improvements or operational changes necessary to fulfill MKEC's obligation to furnish and maintain adequate, efficient and safe electric utility service that is reasonably continuous and without unreasonable interruption of delay. To determine the scope of these reviews, assessments, or studies, MKEC shall file a copy of contracts or engagement letters with Pacific Power and any other entity that has performed similar work for MKEC. MKEC shall file the described documents no later than March 24, 2023.

BY DIRECTION OF THE COMMISSION

Sincerely,

Keith Kurber II
